September 3, 2020

Frederick Pels
Chief Executive Officer
Blackhawk Growth Corp.
303-750 West Pender Street,
Vancouver, BC, V6C2T7, Canada

Dear Frederick,

As you know, Medigen Biotechnology Corp is the global distributor (except Australia and New Zealand) of TBG Biotechnology Corp's COVID-19 diagnostic products.

By this letter, Medigen confirms that, at this time as of September 3rd 2020, Blackhawk Growth Corp. is the sole entity with whom Medigen has entered into distribution agreement for the non-exclusive distribution of the following products in North and South America (including United States and Canada):

TBG SARS-CoV-2 IgG/IgM Rapid Test kit
TBG ExProbe SARS-CoV-2 Testing Kit

Yours Sincerely,

Stanley Chang
Medigen Biotechnology Corp.
Chairman and C.E.O
